

Southern Surf Co.

- The name of my website will be Southern Surf Co.

Description: My website will be a clothing brand page. This is a surf style of clothing with colors ranging from gray, to sand, to multicolored with stripes. All of these shirts will have surfing logos, sayings and more on them. This website will allow people to look at the full gallery of clothing that Southern Surf Co. has. This company will also give back to the ocean by donating 3% of every purchase to a website called: Team Seas. This website is focused on cleaning trash from the ocean. Users will be able to see and filter through the website based on what they want to see.

Page Names

1. Main page, featuring the logo and every item of merchandise
2. Checkout page that includes what is in your cart and how you can purchase it. As well as recommendations for more items.
3. Page that shows all the hats and non clothing items such as pens, stickers etc.
